Attention Provider Type 33: Register Now for Targeted Training for DMEPOS Providers

Hewlett Packard Enterprise will host a targeted training event for all provider type 33 (DMEPOS) providers. The training will include an overview of the Durable Medical Equipment program by a member of the DHCFP staff, provider program basics, utilization clarity, website navigation, prior authorization basics, claims overview, and the benefits of using Electronic Data Interchange (EDI).

This training will be held on site in Las Vegas and Reno, and will also include an option to join virtually. The training is scheduled from 1:30 p.m. to 4:00 p.m. on Tuesday, April 19, 2016. Please visit the [2016 Nevada Medicaid Provider Training Registration Site](#) now to register for this workshop.
